The Premium Tree Nuts & Dried Fruits Expert

About Us

2012

Established in Oregon, USA in 2012, Nestor forged key partnerships with major blueberry and cherry farms, establishing a robust supply chain.

2012 - 2017

Expanded globally, diversifying product lines to include Tree Nuts and Dried Fruits. Pioneering Non-Additive Prunes in 2017.

Now

Maintains a commitment to sourcing top-tier materials from the best farms and factories worldwide, ensuring uncompromised quality from the outset. Collaborative factories, adhering to international health standards, boast advanced equipment and skilled staff.

Quality is Our Only Benchmark

From USA With Love

We're experts at sourcing the best quality ingredients and are proud to sell the foods we know.

Advanced Storage facility

To keep our products fresh and crunchy, we store our raw nuts and seeds in our in-house cold storage facility at ambient temperature.

Nuts sorted by Experts

We make sure our customers receive only exclusive nuts and dried fruits. Our sorting practices allow us to provide only quality offerings to our customers.
